

UCC
Coláiste na hOllscoile Corcaigh,
University College Cork, Ireland

To whom it may concern,

I have had the pleasure of teaching Francisco Alonso in ST3300 (Data Analysis I) at University College Cork.

He always attended classes, and he got top mark in his final exam (94 out of 100). The exam was on statistical problems that needed to be solved using R software.

Throughout the semester, Francisco was an active participant in the class and always solved questions. He is intelligent, talented and focused in his pursuits. I would recommend him for the opportunity that you have available.

Please don't hesitate to contact me at shirin.moghaddam@ucc.ie if you have any questions.

Sincerely,

Dr Shirin Moghaddam

Lecturer in Statistics

University College Cork
